The WFM inaugural **Christmas Twilight Market is Thursday 23 December, from 5 til 8pm**, and is held in Willunga Town Square, corner of Main Rd and St Peter's Tce.

The market will not be open Christmas Day, but is open New Years Day 8am til 12:30pm.

Come for all your festive season grocery shopping in a relaxing environment surrounded by the beauty of the Willunga township.

WFM Assistant Market Manager, Billy Doecke says, 'With over 55 stalls presenting our top-quality fresh seasonal produce this will be a memorable twilight Christmas market.

'Showcasing venison, poultry, lamb and biodynamic beef; the market will also be brimming with breads, cheeses and olives, and all the fruit and veg that makes Christmas special including cherries and stone fruit – absolutely everything you could possibly want for the holiday season grown all around you.

'Come and enjoy some of the regions' best musicians, and soak up the atmosphere while you shop. No tinny Christmas carols here!

'Above all, have a healthy, happy and taste filled Christmas!'
